## sea.

Cruise Mexico's sunny seas on a Kitchen Engine culinary adventure! The cruise departs from San Diego, and includes stops in Puerto Vallarta, Mazatlan, and Cabo San Lucas.

## sun.

In addition to the delicious food, you and your companions can enjoy Holland America's wide variety of fun activities such as salsa lessons, spa visits, and the chance to see migrating gray whales. Kitchen Engine cruisers will also enjoy a wine tasting event, a cocktail reception, a galley tour, and dining at the Chef's table in the Kitchen Engine dining area.

## *Saute*

Watch Chef Shalleck bring the culinary inspiration of the Mexican riviera into a Mediterranean style of cooking featured in two cooking demonstrations. *Learn more about Chef Shalleck at [www.MediterraneanSummer.com](http://www.MediterraneanSummer.com).*
