Biden Sign Description

The nation is at a crossroads, and like any other, the beginning is marked by a sign. While the importance of voting cannot be understated, there are additional ways of showing your support.

This Biden/Harris 2020 12x18 yard sign brings the fight for justice directly to your doorstep. Each pack comes with two signs and represents the country's hope for a better, more equal tomorrow.

Bumper Sticker

People behind you in traffic have little to look at but your bumper, so utilize this space to display a symbol of your support. The Biden/Harris 2020 bumper sticker decorates your vehicle with a statement of resistance and hope.

These durable stickers are UV Coated for extended use, and are cut from high-quality water-resistant 4 Mil Thick Vinyl. Of course, each one is proudly made right here in the USA.

4x6 Sticker

Half the battle is showing up and being counted! The election process brings people together while simultaneously forming communities around all-American ideals such as justice and equality. The Biden/Harris 2020 4x6 sticker is available for those who wish to show their support and the pride they have to participate in this election.

This sticker is UV Coated for an extended life and is made from 4 Mil Thick Vinyl. This premium water-resistant product is proudly manufactured in the United States.

Oval Magnet

Support your candidate proudly with the 2020 Biden/Harris water-repellant magnet! Don't worry about the magnet losing its grip or finish, as it features powerful 4" x 6" Heavy-Duty Rectangle 35 Mil magnets, and are UV coated to resist fading and cracking.

While it may seem like a small first step, let this oval magnet kickstart the larger fight for the Oval Office! Of course, each one is made with pride here in the USA.

Button

Many of history's great calls to action were so simplistic and catchy, they fit right on a button. The 2020 Biden/Harris button allows you to show your support for a movement that champions the will of the people.

Each 2 1/4" button is made with care in the USA.

T-Shirt

Your shirt doesn't have to be worth 1000 words this election cycle. You understand how far the country has fallen, so you only need two: Biden/Harris.

Our heavy cotton Gildan t-shirt comes in a classic universal fit, made from 100% preshrunk cotton/jersey knit. The striking navy blue shirt and high-quality white screen-printing will make where you stand in history clear.

Glassware

Both in glassware and campaigns, transparency is critical. Contribute to the election of a more open administration by purchasing an American-made 2020 Biden/Harris two-color pint glass.
