

Expand and enrich student opportunities with the PSAT/NMSQT® online tools.

This robust portfolio of resources extends the value of the PSAT/NMSQT® far beyond the test. You and your students can use the data they provide to significantly improve academic performance.

AP Potential™

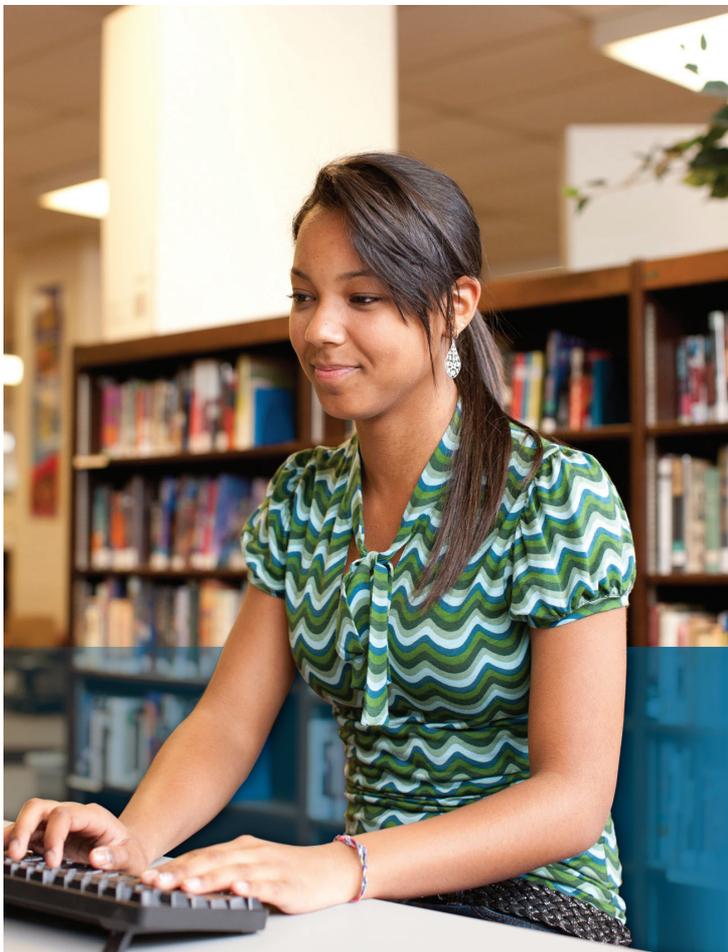

Casts a wider net and broadens access so that **no student with potential** to succeed **misses the opportunity** to be challenged by the rigor of AP® course work.

- Easy-to-use online tool identifies students likely to score 3 or higher on a given AP Exam.
- Available free from the College Board, maker of the AP Exams, for all schools that administer the PSAT/NMSQT.

Summary of Answers and Skills (SOAS)

Delivers valuable school performance information to **evaluate** curricula and **improve instruction**.

- Comprehensive PSAT/NMSQT performance data to help ascertain student strengths and areas for improvement.
- Access to the College Readiness Benchmark, a key success indicator that helps gauge college readiness at the school level.

My College QuickStart™

Encourages students to explore life's possibilities by helping them **identify interests, majors and career options**.

- Customized SAT® study plan and an interactive score report.
- Personality assessments to help students discover majors and careers that suit their strengths and interests.
- My College Matches, a preliminary college matching tool.
