

National treasure

Sir David Attenborough, owner of the familiar voice we all associate with our planet's most wonderful natural sights, has changed his tone. New documentary ***David Attenborough: A Life On Our Planet*** is Sir David's mission statement, an urgent rallying cry from one of our most beloved cultural figures to change the way we treat our environment – before it's too late.

Don't miss out on seeing this stunning film in cinemas: it's followed by an exclusive conversation between Sir David Attenborough and Sir Michael Palin.
