Glow from the inside out this Chinese New Year

Eu Yan Sang presents holistic offerings to help you achieve a healthy glow

(Hong Kong, January 24, 2018) Chinese New Year is just around the corner, and there's no better time to celebrate love, prosperity and health. Instead of chocolates and candies, why not give the gift of health and beauty? Eu Yan Sang's natural supplements are not only great for short term ailments, but wonderful lifestyle additions to homes to enhance long term health benefits and wellbeing.

Look no further than Eu Yan Sang Bee the Best Manuka Honey, Wisconsin American Ginseng Tea, Premium Bird's Nest Series and Natural Facial Acupuncture! From promoting immunity to maintaining a youthful and glowing complexion, these gifts promise to deliver lasting results in a natural and holistic way.

Bee the Best Manuka Honey Flagship Range

For a sweet start to this Chinese New Year, discover nature's best and healthiest sweetener - Manuka Honey. Manuka, also known as New Zealand tea tree, is found only in remote parts of New Zealand and scattered regions in Australia. It has a rich content of MGO (methylglyoxal), a rare natural antibiotic with stable and antiseptic properties. Manuka honey has numerous health benefits, including aiding the digestive system, soothing flu symptoms and improving general health.

Manuka Honey from Eu Yan Sang Bee the Best range comes from the most secluded hives, accessible only through helicopter. With a strict quality control system, you are guaranteed the purest nectar that is certified under the MGO Manuka scientific rating system, with clear indication of the MGO value in each jar. For a healthy elixir to share with your loved ones, steep the rosebuds in warm water and add the Manuka honey that will give you a healthy glow from inside out.

Wisconsin American Ginseng Tea

Give yourself and your family a boost of energy and stamina this year of the Dog with the Wisconsin American Ginseng Tea. A unique herb that possesses a distinctive odor and slightly bitter taste, Wisconsin American Ginseng is considered the best in quality and efficacy among American Ginsengs with a relatively higher concentration of active ingredients and is known to deliver remarkable health benefits.

In particular, Wisconsin American Ginseng nourishes the yin essence, clears excess heat, invigorates vital energy and promotes body fluid. Truly helping you glow from the inside and boosts your vitality, the Wisconsin American Ginseng Tea is ideal for busy modern urbanites who lack in rest. Drinking the tea regularly can help relieve stress and put your life back in balance.

Premium Bird's Nest Series

Women have been using bird's nest as a dietary supplement for generations, it helps to maintain youthful, glowing complexion, speed up recovery, stimulate appetite, invigorate the lungs and boost immunity. Its natural and subtle sweetness makes it the perfect treat for everyone in the family.

Eu Yan Sang's Premium Bird's Nest Series is specially prepared from superior quality bird's nest and is richer and thicker. Vacuum treated and with no preservatives, products in this series can be consumed straight from the bottle, chilled or warmed, and is the perfect rejuvenating treat for everyone in the family. You can also add the bird's best to fresh milk, desserts, salads, tonic soups and the likes to conveniently enjoy its nourishing properties and health benefits anytime, anywhere.

Natural Facial Acupuncture

For an extra glow treat your skin and body to an all-natural and effective session of facial acupuncture at our brand new clinic at Causeway Bay. This non-surgical treatment is targeted to resolve skin problems like wrinkles, pigmentation, dull skin, acne and dark eye circles by using fine needles to stimulate acupoints on the face and body linked by meridian channels to the internal organs.

Operated by trained and certified Chinese Medicine Practitioners, it not only restores radiance to your skin, but combats underlying health issues that surfaces on your skin. The long-lasting effects of the treatment goes beyond skin deep, and will help adjust imbalances in the body and boost the immune system.

All products are available at Eu Yan Sang stores in Hong Kong and Macau. Facial acupuncture treatment is now available at Eu Yan Sang's new Causeway Bay TCM clinic. Patients are advised to call the clinic at 2574 9132 to check on availability as the treatment is administered by selected physicians.
