*Bond over special sweet treats and edible art jamming in Vive Cake Boutique*

(Hong Kong, April 19, 2018) Mother's Day is a day to slow down and appreciate what the one most important woman in our lives has done for us over the years. There's nothing better to celebrate their hard work and love than a day of pampering and sweet treats.

Known for its unique, feminine and beautiful desserts and bespoke sweet creations, VIVE's boutiques in Wanchai and Central are the perfect destinations for mothers and daughters to retreat and share an afternoon treat.

**"Like Mother Like Daughter" Afternoon Tea Set**

This year, Vive Cake Boutique has partnered up with brow experts Benefit Cosmetics to create the exclusive "Like Mother Like Daughter Afternoon Tea Set" for the ladies to enjoy and bond over.

Inspired by San Francisco, where Benefit Cosmetics originated from, the afternoon tea set has a combination sweet and savory delicacies especially created for mothers and daughters to share.

Layered with White Chocolate Mousse, Passion Fruit Mousse and Passion Fruit Jam, the cake evokes deluxe summer and tropical flavours inspired by Benefit Cosmetics signature products Hoola and Galifornia.
