

# The Wedding

He had always dreamed  
of his wedding day.  
His lover is like him  
strong, secure, loving.  
Soothing hands caress  
assuring arms embrace.  
Lips longing  
Kiss in the warm sun.  
This is no mistake  
nor confusion.  
Their union is natural.  
When others stand  
appalled and bewildered,  
They will stand  
Proud, together  
smiling faces shining  
on a bright future  
that justly belongs to them.
