Our mission is simple:

to offer our patients the best and most
advanced health care and treatment
available in a compassionate environment,
regardless of their ability to pay.

The support of our donors helps us to deliver
this care to more than 1.8 million people in our
communities each year, as well as to families from
around the world who come to us for specialized
care. Together, we can solve the challenges of
disease, pursue the latest medical and scientific
advancements and prepare the next generation
of doctors and researchers to raise not only our
standard, but the standard of health care.

Your commitment is crucial to our continued
success. Your membership in the Northwell Health
Founder's Society enables you to invest in the
health of our community. Please join us in our
pursuit to make health care better.
