do just that. Fight fleas and ticks naturally with the eco-safe UltraShield Green Natural Flea & Tick Repellent spray created with seven repellent essential oils: citronella, clove, cedar, geraniol, lemongrass, rosemary, and thyme. Try the great-for-traveling UltraShield Green Woof Pouf, a wash-and-go tool that cleans, conditions, and repels fleas and ticks containing those same seven repellent essential oils. And for something a little closer to home, there’s the new UltraShield Flea & Tick collar, which disperses deltamethrin over the lipid layer of your dog’s skin to give him up to six months of protection.
