Winston Tank Stand

The perfect way to showcase your aquarium or terrarium. Tank stand features a moisture-resistant hardwood stain finish and solid construction for lasting durability. Designed to complement most home interior décor. Comes ready to assemble.

CAUTION: Follow assembly instructions closely. To avoid any damage to aquarium, bottom surface of tank should be flat and level when placed on stand. Wipe off excess water to preserve the finish of the stand. Inspect regularly and replace if any part becomes damaged. Place stand on level and stable ground. For additional stability, we recommend placing product against a wall or in a corner. As with most furniture, do not place in direct sunlight or damp area – may cause discoloration and potential rust on metal surfaces. Not recommended for outdoor use.
