Meet Lyla. At just seven months old she's already found her trusted partner for pediatric care from birth to college. Lyla counts on Dr. Lori Smith for well child visits, immunizations and sick visits. Mom says, "What we love about Dr Smith's care is that she has such a great temperament with my girls. She is also incredibly smart and helpful with suggestions and guidance ranging from behavior issues to diet to when those cold bugs come around." To learn more, visit www.chpprimarycare.org/Firestone or call 720.408.7436.

Meet Ella. We are so proud to provide this "Growing Coloradan" with expert pediatric care at Avista Family Medicine. Whether your child needs an annual check-up, physical or minor trauma care – turn to Dr. Megan Moini. She understands kids, listens to parents and provides the best pediatric care possible. Mom says, "Her calm but attentive manner really helps me stay calm and often quickly eases my worries. I feel very confident in the care my girls are getting and knowing that their doctor wants the best for them. She is also a parent which makes me feel like she understands." To learn more, visit www.avistafamilymedicine.org or call 303-269-2780.
