INSPIRE HEALTH

A trusted partner for all of your women's health needs

At **CHPG Women's Health**, women of all ages will find expert care for every stage of life. Whether you are planning for an addition to your family, struggling with gynecologic concerns or simply due for a routine health screening, you can rely on our team of board-certified gynecologists and obstetricians. Our team at CHPG Women's Health has more than 30 years of collective experience caring for women and has delivered more than 5,000 babies. Our specialists deliver exclusively at Avista Adventist Hospital's award-winning birth center. This provides our physicians with a close working relationship with the New Life Center team and offers moms-to-be extra comfort and confidence in preparing for childbirth.

We offer the following specialized services for women:

Wellness

- Cancer screenings
- Health education
- Osteoporosis management
- Preventive care
- Screening and treatment of sexually-transmitted infections
- Well-woman exams

Obstetrics

- Prenatal care
- Infertility
- High risk pregnancy
- Vaginal and cesarean deliveries
- Postpartum care

Gynecology

- Abnormal bleeding
- Abnormal pap smears
- Contraception
- Endometriosis
- Fibroids
- Hormone replacement therapy
- Menopause and perimenopause
- Ovarian conditions
- Painful periods
- Pelvic pain
- Premenstrual syndrome
- Sexuality concerns
- Urinary incontinence

Surgical care

Our specialists offer women multiple options for surgical treatments, both in the office and in the operating room. Most of these procedures utilize minimally invasive techniques, meaning they are performed using very small incisions, which allows patients to heal faster.
