THE MONTH'S TOP TV FOR YOUNGSTERS

## Rock on!

Our favourite '80s band is back for a second series – causing even more music mayhem!

**HD** **NEW SERIES**  
**I'M IN THE BAND** From Mon 7,  
4.30pm, Disney XD/HD (607)

March is jam-packed with new episodes and new seasons of the shows your kids love. And leading the way is the brand-new second series of the sitcom *I'm in the Band*.

If you haven't caught it yet, the fun follows Tripp Campbell (Logan Miller), a guitar-playing 15-year-old who gets the job of lead guitarist with Iron

Weasel, his favourite band from the '80s. Tripp wants to help them make a comeback, but the ageing rockers have fallen so far from fame they can't even afford their own place – so they move into his spare room! The second series launches with a one-hour special which sees Tripp join arch-rival rock band Meat Wolf. Can Iron Weasel win him back?
