

# GREAT EXPECTATIONS START HERE

Every great project starts somewhere. Set the tone for success from day one with Layher Star Frame and Allround®. With Layher Starframe, you'll save up to 30% on materials, transportation costs, and time — everyone's most valuable resource. The Layher Star Frame features a fast frame assembly that blends with the Allround perfectly and accommodates ground variance and terrain change with ease. Compatible with Layher Allround diagonals, decks, and base collar, the Star Frame makes for the perfect addition to your scaffolding fleet. Assemble lightweight handrails completely tool free and access the entire wall workspace with this modern design that eschews traditional bracing.
