

There's a specific type of shopper in all of us, from those who carry around a laundry list of items to those who window shop without having anything in mind—and this can change depending on the mood or day. But if you're completely unsure of where to get a shag rug, vegan beauty products, retro sunglasses or Japanese flatware, don't worry, we've got you covered! In the following pages, we've split our guide into four categories: Vintage, Home, Beauty and Lifestyle. We've also sprinkled in a few extra bonus goodies for you to enjoy. So what are you waiting for? Treat yourself, your wardrobe and your home to a makeover for a luxurious upgrade!
