Fun Work at the UM Library-User Services & Outreach

Decolonization Studies, Land-Based Pedagogy, Tribal Librarianship,
Transformational Leadership, Neuropsychology, Community Education

Sharer of copious amounts of memes

“ Internet memes are a key fixture of digital culture that have spread from the fringe corners of the web into mainstream culture with the shift to a more user-friendly web environment where production of content is a capability nearly anyone can learn.

Julia Decook,
Michigan State
University
