About J.B. Dondolo, Inc. Charity

J.B. DONDOLO Start to Finish

J.B. Dondolo, Inc. is a 501 (c)(3) charitable non-profit which exists to provide humanitarian services to impoverished communities worldwide. The company focuses on those markets that cannot afford simple, basic necessities.

The organization is named after **J. B. Dondolo**, an orphan, farmer, and humanitarian advocate whose values and principles on giving continue to inspire his children, friends, and families across the world. The charity was founded by Dondolo's children in November, 2012.

J. B. Dondolo played a critical role in the fight against poverty. Dondolo's children saw the need to form a charity to honor their father, so his legacy of good deeds would continue.

The charity is interested in promoting, developing, and completing projects and programs that have been started but left incomplete, or imagined but not started for a variety of reasons. www.jbdondolo.org
