YOU SET THE STANDARDS

WE EXCEED THEM

ACCENT DELIVERS ON-APPAREL BRANDING,
PROCUREMENT AND LOGISTICS FOR THE
WORLD'S MOST RECOGNIZED FASHION
BRANDS & RETAILERS.

TIRED OF SLOW & COMPLICATED?

We design solutions that are quick & simple.

Thanks to our streamlined web order placement system, your factories all over the world can easily access and order your approved price tickets, main labels and care labels.

Quickly find and review any piece of artwork online, at any stage of production. Eliminate the “back and forth”, as approvals and changes are instant which translates to speedy production.

COMPLIANT PRODUCTION

UNANSWERED QUESTIONS WEARING YOU DOWN?

We have the answers you're looking for.

We know what you may not. We keep track of every link in your supply chain, which then becomes your digital imprint.

Transparency and accountability are now core to your business practices. So when you need to see who's ordered what, and when and where it was shipped, we provide you the data you seek.

AUDIT TRAIL

COSTLY MISTAKES KEEPING YOU UP AT NIGHT?

We ask the right questions so you can sleep more soundly.

Consistency in branding is everything. While most suppliers say that they listen, we go further by asking the right questions.

Rest assured, we have the expertise to make sure your tags don't curl, your pins don't damage your fabrics, and your labels will be correctly sewn.

CONSISTENT QUALITY

SUSTAINABILITY CONCERNS SAPPING YOUR ENERGY?

We've got your back.

If sustainability is what you're after, our global presence and hands-on approach mean you can rest easy. Whether you need GRS certification, certificates of destruction of unused goods, or visibility into your factories across the globe, we've got you covered.

VISIBLE SUSTAINABILITY
