

## Liturgy of Reconciliation

Spirit of the living God,  
Receive us  
Entreat us  
Release us  
from our resentment

**Cast away our fear  
Of release  
Of another  
Release us from retaliation  
Redeem us  
And restore us to ourselves**

Rend my heart  
That I might bend  
my knee  
Extend your grace  
That I might extend  
my hand  
**Restore and repair us  
to each other  
one another**

Help us release  
That we might re-embrace  
This sacred space  
That human face  
That bears you(r)  
Creation  
Move us toward  
Reconciliation

I release you  
So we both may  
re-claim your humanity  
Perhaps  
re-introduce

Even  
return and repair

**Re-member us**  
**To our fellow**  
**And whole**  
**Imago Dei**
