

INTRODUCING TEAM

We're excited to introduce you to TEAM (The Evangelical Alliance Mission), a missions organization that helps churches live out God's call to go. TEAM partners with churches to send out workers and plant churches that will do the same. They work holistically to make society-wide change with initiatives in evangelism, education, healthcare, media, community development, agriculture and anything else God uses to open doors to share His message.

As a church, we want to get to know TEAM and explore how we might work together to spread the Gospel. Check out TEAM's website at www.team.org to learn more about them.

DOES TEAM HAVE OPPORTUNITIES FOR ME?

TEAM has a wide variety of missions opportunities, ranging from two-week trips to long-term service. Their missionaries serve in Africa, Asia, Europe, North America and South America. Explore the possibilities at opportunities.team.org, and let us know if any stir your heart! We'd love to help you get started on your mission journey.
