

A photograph of a beach scene with fishermen. In the foreground, a young boy in a blue polo shirt and khaki shorts is smiling broadly, carrying a large wooden pole across his shoulder. A large, tangled blue fishing net with yellow floats hangs from the pole. In the background, another man in a light-colored shirt and blue shorts is walking. The beach is sandy, and the sky is blue with some clouds.

FROM THE  
PHILIPPINES:

# PARTYING MOM TURNS TO GOD

Christiane had a husband and two great kids, but her family couldn't fill the hole in her heart.

But then, you know that. That's why you help plant churches in communities like Christiane's — so everyone can meet the One who heals our hearts.

Christiane was overwhelmed by poverty and depression. She dreamed of wealth, but her husband only earned minimum wage. And with two small kids to care for, Christiane couldn't get a job herself.

Desperate for an escape, Christiane turned to heavy drinking and partying. But the new friends she made only added to her pain.

"I can't explain how hard it was," Christiane says. "I can remember just wanting to end my life."

Thankfully, you sent help in Christiane's darkest hour.

## **You Planted a Church, a Refuge**

You gave to TEAM and planted a church in Christiane's community. The first time she attended, Christiane was blown away by the love she felt. She prayed, "Lord, there's no turning back. I am Yours from now until eternity."

God transformed Christiane. He healed her heart and her relationships. And now, Christiane's whole family attends church together.

"God is really awesome," Christiane says. "He can turn you into something beautiful."

Thank you for giving so Christiane — and many others — could encounter the one true God. Your compassion is changing lives every day!
