Django is our preferred CMS here at Blenderbox! The latest version looks like it includes great speed improvements, making the job even easier again for content editors. We always recommend it to clients seeking efficient and simple ways of regularly updating their sites!

django CMS @djangocms

We've just issued a Release Candidate of django CMS 3.5. Beat the crowds: django-cms.org/en/blog/2018/0...!

Blenderbox works across the nonprofit, education, arts and culture sectors, and this specific experience allows us to cater to our client's needs on a higher level. Designing for education is different from designing for other businesses!

Designing Business Education for a Custom Fit

More business schools are going into business themselves by designing -- and profiting from -- customized training programs for big corporate clients.
