Chelsea Cavanaugh

Get up to 10 straight hours of moisture before refilling this humidifier.

1 BRIGHT IDEA

A powder-coated adjustable shade and brass detailing make this task lamp the perfect design-friendly desk accessory. **TO BUY:** Fila Table Lamp, \$69; article.com.

2 CUSTOM CALENDAR

Hang these fill-in-the-month gridded sheets near your desk to map out your year. **TO BUY:** Flora Wall Calendar, \$34; wildehousepaper.com.

3 MIST MAKER

Combat dry office air with this six-inch-tall humidifier, powered via your computer's USB port. **TO BUY:** Portable Humidifier, \$39; heydewy.com.

4 GRAB BAG

Yeti coolers have earned a cult following—the brand's lunch box is just as cool (and hot) because of the same special insulation system. **TO BUY:** Daytrip Lunch Bag, \$80; yeti.com.

5 CUTTING EDGE

Dress up your pencil cup with these seriously stylish brass-and-stainless-steel shears. **TO BUY:** Wildflower Scissors, \$15; ubrands.com.

6 TRAY CHIC

When your stack of documents reaches the wooden dowel, you *know* it's time to sort and file. **TO BUY:** Arc Paper Tray, \$20; ubrands.com.

7 RELATABLE READ

If decisions feel daunting, refer to this book of amusingly overwrought charts and diagrams. **TO BUY:** *Am I Overthinking This?* by Michelle Rial, \$14; barnesandnoble.com.

8 KEEP COOL

A cute but mighty fan will come in handy when the office heat inevitably kicks into overdrive. **TO BUY:** Mini Vornado V-Fan, \$50; rejuvenation.com.
