

Products drop-down intro: All Ananda Experience Bliss products are manufactured with proprietary formulations in California at our partner GMP facility. We have over 20 years' experience processing and manufacturing nutraceuticals, skincare, health and wellness products.

All ingredients are sourced with your health in mind. We seek only the best natural and organic ingredients available. Ananda Experience Bliss acquires our hemp from partner farms in Kentucky.

Our hemp is grown outdoors in the fresh air and sunshine, using no pesticides or harsh fertilizers. The unique Full-Spectrum Hemp genetics are GMO-free, Farm Bill Compliant and processed in Kentucky with Pure Co2® extraction methods, producing a Full-Spectrum Hemp Extract containing CBD, CBC, THC & CBG. THC levels are below .03%. **THC is present in this Full-Spectrum Extract.**
