

# BIGGER THAN LIFE

**B**ased on years of original research, this massive biography tells the full story of Ferrari's rise to greatness, uncovering a wealth of new facts about his origins, business practices, and personal relationships. At more than 950 pages, it's the ultimate account of an epic life.

*"The definitive biography of one of the Automobile Age's most remarkable men."* – *New York Times*

*"The Enzo Ferrari I knew as boss, friend, and opponent returns vividly to life."* – *Mario Andretti*

*"This is the biography of Enzo Ferrari we've been waiting for."*  
– *Prancing Horse*
