

JANICE McCORD
INTERPRETIVE PROGRAMS VOLUNTEER, DETROIT INSTITUTE OF ARTS

THE TREASURES INSIDE ARE ONLY MATCHED BY WHAT YOU CAN FIND JUST AROUND THE CORNER.

Few things compare to the Detroit Institute of Arts' sun-soaked Rivera Court, but the things that do can be found just a few feet away, among the DIA's collection of masterpieces. When the museum doors close, Detroit is always open, and its culture, nightlife and events are just waiting to be discovered. Dine at a fine establishment like Michael Symon's Roast, then take in a show at the magnificent Fox Theatre. Or take in a baseball game and grab a coney dog. Whatever your tastes, in The D, amazing is waiting around every corner. **Discover Detroit, America's great comeback city. View Janice's story at visitdetroit.com/janice.**
