**"Discover the Secret to Building a 6 Figure Online Business Fast - Including Step by Step Simple Instructions!"**

**I personally guarantee you will be able to build your own online business with my system - Sean Mize**

**From:** Sean Mize 10:07 AM

**To:** *You* **IF you want to build a six-figure online business**

Perhaps you think that statement above is a little gutsy, and a little strong.

But that's ok.

It is.

**You see, there are alot of people out there who say crazy things like "invest with me and you'll make a million dollars on autopilot"**

And that's just rubbish.

You see, there is no such thing as "autopilot riches"

However, there *IS a tried and true, step by step way of building a 6 - figure income online* - and I am proof of that, because **in just 13 months I took my own business from scratch to \$15,347 per month** - and that is literally over \$180k per year in revenue!

So for me - it isn't just theory - it works.

But it wasn't always that way.

You see, when I got started online, there was tons of material available on how to build a

business online, just like there is today - and just like today, it was really frustrating because you could buy one manual that would tell you one thing, another that would tell you something else, and still another with another foolproof way to build your business.

Isn't that frustrating? Have you experienced that, where you buy material to learn something, and you don't quite get it, so you buy something else...and it doesn't really help??? In fact, you might even have an "aha" moment where it all makes sense...but when you go to apply it to your business....you simply get stuck?

I know how that feels, because I felt that way a lot my first year in business.

In fact, I often felt like I was spinning my wheels, trying out program after program, trying to find the solution that was going to get me out of the hole. And program after program, it always felt like something was missing, like I was only getting a part of the picture.

You ever feel like that?

### **I can tell you this, it wasn't easy learning how to do all the right things to make the money come in.**

And I had to work hard not just to build my business that first year, but also to figure it all out...what has to happen to create consistent income online.

And ever since then, ever since I "cracked the code" to creating a 6 figure income online from scratch, I have desired to create a complete training program that would literally give someone else a step by step blueprint for building their own business, without having to go through all the trial and error.

And trust me, it wasn't easy to create.

And the reason is, that there are so many "parts" to do in an online business, that it is hard to know what to teach first, second, and so on.

And perhaps you have bought trainings in the past that felt like that. They just weren't organized. They didn't have the right things in the right order. And that happens a lot.

So in the process of creating training materials to teach you how to create a 6 figure business online...and I have created a lot of them, 300- 500 hours or more of teachings, plus the thousands of articles and the training manuals I have been responsible for.

*And many of my clients have paid anywhere from \$5000 all the way up to \$18,000 to get access to my highest level trainings.*

**But now I have decided I simply want to give back...back to you, as you are getting started building YOUR online business, and GIVE you some of my very strongest trainings,** to teach you step by step exactly what to do and how to do it to build a 6 figure business online.

But I also want you to have access to long term continued training, so that you don't just get a fast start, but then you don't have the support you need to continue your progress.

Has that ever happened to you....you bought a training program, and you learned alot the first couple of months...but then a few months in, you got stuck on something...and there was no additional teaching or support to get you through it? And then you ultimately gave up?

**Perhaps that's why you are reading this...because you are looking for a complete solution, a solution that will continue to teach you after the first few months, or the first few trainings.**

So here is what I have decided....

I want to GIVE you 4 of my very strongest trainings online, in addition to my cornerstone COMPLETE FAST START TRAINING for internet marketing success, its a total of over 46 hours of detailed instruction, teaching you exactly what to do and how to do it.

Then, in addition, each week, you will receive a brand new training to study, to keep you on track, to keep you growing your business step by step, month after month, until you get it to the 6 figure level.

Here's what I have decided:

**I'm going to GIVE you all 4 master trainings - 46 hours of trainings all together - at NO CHARGE to you - as long as you agree to try out my new GOLD MEMBER Training Program for just \$4.95 for the first 7 days, then if you choose to continue after the trial period, just \$97 per month.**

The only thing I ask is that you will use the material, and start building and growing your business. Because let me ask you this...if you were to apply all my information in your business, and you were to start making real money online....maybe \$500 the first month, \$1000 the second month, and so on....it would be a no-brainer to continue paying me \$97 per month to help you grow your business to bigger and bigger levels, wouldn't it?

And of course, if my training doesn't work for you - you can simply cancel it at anytime, you can even get a refund for your payment, that's totally fair, isn't it?

So I've made it really easy for you to learn...and learn fast.

You get over 46 hours of my strongest trainings, plus exclusive access to my GOLD MEMBER training program...

**This is some of the deepest sales letter writing training I know of, and is taught in such a way that it makes it really EASY to copy and write your own sales letter.**

And I am throwing one additional bonus in...and this is a recording of my very first product creation class, 11 classes of incredible information - about 15 hours worth of recording teaching, including tons of in-depth analysis of the "why" we do things a certain way to make the most profit.

**I sold this training originally for \$497**...so just this one series makes this entire offer a steal!

Ok, so the total value of these 5 gifts is over \$6700...but you get all of that today just for test driving my brand new GOLD MEMBER training program!!!

Now, perhaps you are thinking, ok, with all this value, what's left to teach in the GOLD MEMBER training program....and that's a great question, because you could literally learn to run your own online business with the 5 bonus gifts...

*But...what I have found is that when people get a new training from me each week, they get results FASTER. And that is what you want, isn't it, FAST results?*

**So the idea here is that you get over 46 hours of immediately usable information as soon as you try out my GOLD MEMBER training program**....and then each week after that, you get ANOTHER training that will simply FORCE you to go to the next level online, and start making real money online.

You see, **I want this material to be so good for you, that you will NEVER want to cancel.**

You see, that's how I make money with this.

You know I don't make any money when I give you the 46 hours of training for free, and if you don't choose to stay in the program, I don't make anything at all for my time. Where I make my money is IF you choose to continue to get my weekly lessons.

And I really want you to continue with my lessons (but let me tell you this: if you don't want to, once you have studied the initial 46 hours, or if you want to cancel after a couple of months, whatever you want to do, there will be no hard feelings, guaranteed).

So I am going to be selecting for you the very best trainings for you, and creating training materials for you that are JUST WHAT YOU NEED. In fact, if there is something you need training on, and it isn't included in the core material....just let me know so I can create it for you!

## **Ok, so here's what's included in the GOLD MEMBER training program:**

**Access to the exact tools I use in my own business**....over the years I have discovered what are the very best softwares and tools to use, that get the best results with the least work....and I rarely share these outside my closest client circle....but I am going to give you unfettered access to these as long as you are a member...
