CND Rescue Rx

CND Rescue Rx repairs damaged nails with the power of keratin protein and moisturizing jojoba oil, and has saved my nails countless times. I recently tried a new nail style and the process absolutely destroyed my already thin and peeling nails. I decided to cut off as much damage as possible and start a daily Rescue Rx routine. My nails are now stronger and smoother than ever.

One Two Magnetic Lashes

I, like most women, want beautiful fluttery lashes, yet I, like most women, struggle to properly glue false lashes on myself. Problem solved: I tried several brands of magnetic lashes in my research and none compare to One Two's innovative design. It takes a bit of practice but with the applicator I have them on in seconds and they do not feel any heavier than traditional lashes. Half lashes and full coverage lashes are available in several styles.

Stowaway Cosmetics

Stowaway Cosmetics packs a big punch in a tiny package and my expectations were far beyond exceeded. Rich pigments in beautiful colors, and mini packaging that fits my busy lifestyle—yes please! I originally thought I would just use these in my touch up bag, but I found myself reaching for them when getting ready in the morning. These pint-sized makeup treats fit in every bag, pocket or bra without creating bulk for an on-the-go lifestyle.

Harry's Razor

Move over men, I am stealing your razor and you cannot have it back. Harry's razor was designed for the face, but I have found the perfectly engineered five blades give me an incredibly close shave on the rest of my body. On top of the shaving benefits, the initial razor and refill cartridges won't break the bank.

Soleil Tan De Chanel

Soleil Tan De Chanel is a light, cream-gel bronzer that leaves skin with a velvety finish and a beautiful sun-kissed look. Spring has me ready for the glow that only the lovely days of being outdoors during the summer brings. A busy life and cold days cannot stop me from the gorgeous glow I crave; I pull out my Chanel bronzer and buff onto cheekbones, forehead, over bridge of nose, and chin for a naturally sun-kissed look.

My Magic Mud Activated Charcoal Tooth Powder for Whitening

My Magic Mud Activated Charcoal Tooth Powder for Whitening is a natural oral care remedy that cleans, polishes, whitens, and detoxes your teeth. Laneige Lip Sleeping Mask

Laneige Lip Sleeping Mask is a supple moisturizing night lip balm. Yet I am not one to follow the rules so I use it as beautiful anytime lip balm. I also added it to my kit for clients as it is truly one of the best lip treatments I have ever used. A little goes a long way and you can kiss goodbye dry, flakey and chapped lips.
