# A LITTLE REFRESHER

Rejuvenate your beauty routine with these products to make the transition from summer to fall your best yet.

**Kiehl's Creme de Corps Soy Milk & Honey Whipped Body Butter**  
Shea butter, squalene and jojoba oil are blended together to create a beautifully fragrant and light lotion. A little goes a long way with this body butter, and the skin absorbs it quickly. Instant softness at your fingertips! [kiehls.com](http://kiehls.com)

**NARS Powermatte Lip Pigment in Rock With You**  
For long-lasting color and hydration, swipe this matte swatch over your lips. The intensity in the deep mulberry color and lightweight feel make for a dynamic duo to step out in. [narscosmetics.com](http://narscosmetics.com)

**Living Proof Style Lab Texture Mist**  
You can take the woman out of summer, but you can't take summer out of the woman! Wear beachy waves well into the colder seasons with a spritz of texture mist that will keep your hair beautifully messy for a few days. [livingproof.com](http://livingproof.com)

**Living Proof 5-in-1 Styling Treatment**  
There is such thing as a perfect hair day, and the secret lies in this one-step solution. Apply an even amount to damp hair from roots to tip and comb through to enjoy the benefits of voluminous, strengthened locks. [livingproof.com](http://livingproof.com)

**skyn ICELAND Eye Gels**  
To clear up those stress-induced dark circles under your eyes, try these firming eye gels. In ten minutes, the hydro-cooling powers will reduce puffiness and circles, and keeping you looking (and feeling) refreshed. [skyniceland.com](http://skyniceland.com)

**Lush Let the Good Times Roll Face and Body Cleanser**  
Keep your skin clean and moisturized with this scrub. The effects are immediate and leave you feeling bright from head to toe. It smells like popcorn and will make you extra cozy this season. [lushusa.com](http://lushusa.com)

**Charlotte Tilbury Hollywood Beauty Light Wand**  
Give Hollywood starlet a new name this year. The rose-gold highlighter, inspired by the lighting of classic Hollywood, compliments every skin type and enhances flawless complexion. A darling addition to your makeup bag! [charlottetilbury.com](http://charlottetilbury.com)
