Metal Moose Radio - Oklahoma

Who we are...

Now is your chance to be a part of the fastest-growing Metal (Hardcore) Radio Show in North America! Differentiate yourself from the competition by supporting this ever-evolving, rocking, competitive industry with a diverse and fast growing fan base.

Metal Moose Radio (MMR) is an independent radio show based out of Oklahoma. Founded in 2014, MMR has grown from an online podcast to a show that is played on over 50 stations world-wide boasting thousands of listeners. MMR has a vision, and it is a big one! Our vision is to open our own studio and employ our current staff full-time, further our reach and expand our show, and produce more live shows that support the local bands we love to play. We love our fans and the bands.

MMR is staffed by a very small group of talented people, all of whom dedicate their free time to ensure that the show is produced. This goes beyond just recording and playing bands - website design/maintenance, graphics, advertisements, social media interactions and engaging with our fans and bands alike. MMR work hard for the satisfaction of bringing music we love to the world.

Metal Moose Radio & it's affiliate Chicks That Rawk are dedicated to Local & Indie Music.
