

Happy Holly-days!

After a long year, 2020 is almost behind us. We would like to dedicate this newsletter to our community; thank you for all the support you have given us during this difficult year.

Looking ahead, there is plenty to be excited for in 2021. We're eagerly anticipating the return of our physical event in September 2021 and can't wait to see you all. Before then, we'll be kicking off the new year with Festive Focus Day on 21st January 2021, which you can find out more about on our website.

For now, though, a very happy holidays, from me and all the Glee team.
