

Artist, astronomer, or author?

All of the above.

At MCDS, **students are free to experiment** with many activities, try on different roles, and discover the many facets of their personality. **Artists can be scientists, athletes can be actors, and musicians can be historians.** In addition to involved homeroom teachers, specialized faculty in music, art, Spanish, science, and physical education help your child **discover** and **explore the many possibilities of what they can become.**

-  Smaller class sizes
-  Singapore math instruction
-  Hands-on science
-  Enriching arts curriculum including piano lessons starting in grade 1
-  Specialized teachers for physical education, science, art, music, and Spanish
-  Character education program
