

Use both sides of your brain

and discover all sides of yourself.

At MCDS, we believe **students shouldn't be locked into one sport, one interest, or one definition of who they are or want to be.**

Artists can be scientists, athletes can be actors, and musicians can be historians. Deeply rich opportunities at MCDS develop deeply rich individuals who are not afraid to **be their whole selves.**

-  IB Diploma Programme
-  Varsity and club athletics
-  Music, art, and theatre
-  World language and exchanges
-  Engaging classes
-  Individualized college advising
