

THE CHRONICLE

The goal of this publication is to inform, educate, grow us closer as coworkers, and make us more knowledgeable as cannabis advocates. What we do every day at GTI makes a tremendous impact in thousands of people's lives. Through capturing that, I hope this publication will help inspire us all to live up to that ideal.

If you have ideas, questions, or want to submit an article, photograph, or work of art, please reach out at sinskeep@gtigrows.com
