Hello << Test First Name >>

Featuring over 1,300 exhibitors and more than 10,000 ingredients, SupplySide West is a big deal, to say the least. But when shopping for the right solutions for your brand, the sheer abundance of options can challenge even the most experienced of SSW veterans.

To make things a little easier and help simplify the process, **GELITA will be hosting its Café Tasting Bar at Booth #5735**. From an array of beverages, treats, and supplements — all packed with **GELITA Bioactive Collagen Peptides®** and gelatine — you and your guests can sample the possibilities and draw ultimately closer to your brand's amazing potential. In addition to products with **TENDOFORTE®** and **FORITGEL®**, GELITA will offer selections including **BODYBALANCE®** for body toning and increased muscle strength and **VERISOL®** for improved skin elasticity, wrinkle reduction, and even cellulite reduction as well as improved nail growth.

For many guests, especially first-timers, navigating the endless exhibition of booths can be quite overwhelming. So while it's always advantageous to keep an open mind, it is also important to prepare in advance, arriving in Las Vegas with a well-conceived expo strategy.

So as you plan ahead for this year's SSW, **make sure to include the GELITA Café Tasting Bar, Booth #5735 in your visit.** And for your scheduling convenience, we're keeping it open from 10 am to 5 pm on both Thursday, November 8 and Friday, November 9.

We can't wait to see you there!
