ADDRESS

Dear XXXX:

Thank you very much for your gift to the GW Power and Promise Fund for the George Washington University School of Medicine and Health Sciences.

Your support of the Power and Promise Fund helps ensure that every student who has the ambition to attend GW and the talent to thrive here is able to do so, regardless of their financial situation. Scholarship assistance also enables students to select specialties based on their calling and passions—not their financial need. Your gift reduces student debt, serves as a vote of confidence in our students, and is an investment in the future of medicine.

Thank you for helping to sustain the SMHS through the Power and Promise Fund, and for believing in our students.

Sincerely,

Tracy Church
Executive Director
