**THE LEADING EDGE**

Designed by French architect Jean-Marie Massaud, Axor's Edge, from £833, is a striking new tap fusing cubic design with polished surfaces. It comes in five Axor FinishPlus colours – shown here is Polished Gold Optic. For a more minimalist look, it is also available without texturing. [axor-design.com](http://axor-design.com)

**PROTECTIVE COAT**

Cataglaze+ presents a range of sanitaryware coated in a new and improved antibacterial formula that can eliminate 99.9% of germs to help you create a low-maintenance bathroom – so you have more time to get on with the things that really matter. Shown here are the Green Lux 80 basin £638.40 and Sfera 54 wall-hung WC, £776.40, in both Satin Grey. [cataglaze.catalano.it](http://cataglaze.catalano.it)

**ELINOR SAYS..**

Textured glass such as this fluted panel is the ideal solution to achieve an element of privacy in a bathroom while still letting light stream through

**Steel CONTINUITY**

Save space with this art-like clothes rail that, depending on which way you look at it, appears to be floating in the air. Diagonally fixed to the wall on two sides, the steel loop also features a walnut clothes bar to add warmth into the design. Ugao clothes rack, £244, Ligne Roset. According to research by property experts Jackson-Stops, 22% of those polled said this was one of the three features they would be looking for in a new home. One of their key reasons? Reducing CO2 emissions.

**FINE FINNISH**

Cameron Design House's Inari chandelier is inspired by the Finnish lake of the same name – plus it's handmade, so no two are the same. Choose your desired length and a polished or brushed metal finish or a variety of powdered coatings. Prices start from £17,000. [camerondesignhouse.com](http://camerondesignhouse.com)

**SLEEP EASY**

Why choose between Mid-century modern, Scandi looks, or industrial chic when you can have it all? The king-sized Brunel bed, £699 from Heal's is made from dark-stained oak and also features black powder-coated steel feet. [heals.com](http://heals.com)

**SAVE SPACE**

Imagine installing a towel warmer that not only looks stylish but is functional too. Vogue UK has created two options for you to consider: one is rounded, the other features square edges. Whether you choose the EL040 or the EL045m £247 each, both of the stainless-steel vertical robe and towel warmers have two handy pegs – one of which swivels, while the other remains fixed. ## NEW LOOK

Available for a limited time only, the Louis Poulsen PH 3/2 Amber brass floor lamp, £1765 from Nest, features a mouth-blown glass shade and an untreated brass arm. Inspired by Louis Poulsen and Poul Henningsen's The Water Pump reading lamp, the PH 3/2 is a contemporary twist on the classic. [nest.co.uk](http://nest.co.uk)

## PERFECT SETUP

The beauty of the Vox nature oak dining table with built-in drawers, £1295 from Cuckooland, is that it has incorporated metal recesses – so you can place hot pans directly onto the table. Neat. [cuckooland.com](http://cuckooland.com)

## Floor IT

Known for their exciting collaborations with young talent, Floor Story has joined forces with design studio 2LG to create a range of impressive new rugs that draw on their love of colours, curves, and form. This bright Portal rug in yellow, £2100, is part of the range and made from hand-knotted wool and bamboo viscose. [floorstory.co.uk](http://floorstory.co.uk)

To mark KBB's 30th anniversary, we're diving into the archive to look back at some of our favourite covers. This month, we're throwing it back to 2008 and this striking indoor-outdoor kitchen, complete with a floating island and a big barbecue. We're a bit jealous – how about you?

## HEY GOOD COOKING

The new Miele Generation 7000 KM 7897 FL 90cm full-surface induction hob, £2849, is a clever appliance that can connect and communicate with you extractor via the Con@tivity function. With space for up to six pans, a new function also keeps food warm if you're not ready to eat yet while a frameless fit means the hob has both looks and smarts. [miele.co.uk](http://miele.co.uk)

### Tech on trial

This month I've been testing out Amazon's Echo Show 5, priced £79.99.

**Why I tried it** It's latest addition into Amazon's smart home assistant range and only the second model that comes with a visual display

**What I thought** With a compact 5.5" screen, it is ideal no matter if you're starting out or already have another Amazon Echo.

### Bathing beauty

Want to have a freestanding tub, no matter the size of your bathroom? I'm currently eyeing up The Albion Bath Company's Tubby Torre plinth bath in Living Coral, from £2484.

### Snuggle up

The Flora love seat in Duck Egg Blue velvet, £595 from Oliver Bonas, is where I want to perch this winter – with a cocktail to warm me up.

### Moodboarding

Did you know you can browse the likes of John Lewis & Partners, Habitat, Swoon and more in one place at Home? The website allows you to build moodboards for different rooms before purchasing directly from each retailer. Better yet, Hone will even notify you when items on your wishlist go into the sale.
