

MARKETWAVE'S 20TH ANNIVERSARY

Gift to the Community

FAMILY GATEWAY STORYTIME CENTER

Homelessness in Dallas has increased 9 percent in just the last year, and sadly, many of the more than 3,500 residents experiencing this condition are families with young children. Family Gateway offers families shelter, counseling and more—and we wanted to do our part to support their mission.

Giving Back is one of our company's core values, so in honor of our 20th anniversary, we're gifting Family Gateway with its first Storytime Center. Our hope is to foster a love for reading and learning among the children by creating a library fully stocked with books and art supplies so they can read, write and illustrate their own stories.

As brand storytellers, we know how impactful a story can be. And we want to inspire the children at Family Gateway to experience the joy of reading.
