

# Volunteer Opportunities

There are always volunteer opportunities available to our Community Partners at the Club! Here are some examples of projects we've received support with in 2017:

Volunteer crews from **Armstrong World Industries, Inc.**, came out to spruce up the Hill Clubhouse! The crews brightened the gym with a fresh coat of paint!

A leadership team from **Wegmans Food Markets** spent built elevated planter boxes for the Jack Walker garden! Wegmans will also provide seeds, starter plants and gardening lessons to our Club members.

There are lots of ways for **individuals** to get involved through volunteer work at the Club, as well! Volunteers can assist with programs and enrichment activities such as **homework help, board game tournaments, art education and fitness and recreation** for youth between the ages of 6 and 18. **Share your special talent** with us and help support our Club members!

Please contact Program & Partnership Coordinator Mary Reidy for more information! (717) 381-4702; mreidy@bgclanc.org
