Refresh, renew, rejuvenate. Live younger, longer - beginning today.

Wake-Up Call Daytime Eye Protector-Concealer

Wake up and do something wonderful for your eyes - every day. This unique gel not only shields your eyes from the environment, but uses cutting-edge light refraction to conceal dark circles, fine lines and wrinkles. Tap gently into the eye contour with light, accupressure-like movements. Moisture is locked in while harmful UVA and UVB rays and free radicals are blocked. Dark circles are concealed for a more youthful appearance. Blood flow is stimulated to reduce puffiness, tighten and smooth skin and strengthen eye tissue. Universal flesh tint.

Nighttime Eye Regenerator

Nighttime is the perfect time to nourish your eyes with a complete "meal" of time-release vitamins, replenishing ceramides, natural anti-inflammatories and a host of organic soothers. Application becomes a relaxing ritual: tap a precisely metered dose around the ocular bone; with thumbs, stimulate the six accupressure points shown at left, releasing tension and stress from the eye area and allowing delicate tissue to replenish, heal and restore itself. Creamy, non-greasy texture and superior absorption. Fragrance-free.

Lip Smoother Daily Protectant

Bare, slicked or colored, your lips feel best when they're soft, smooth, plumped with youthful glow. Aloe vera, vitamin E, slippery elm bark and other natural waxes quickly soak in, healing roughness and protecting your lips against a full spectrum of aging UVA/UVB rays. You'll taste no sugar or synthetic flavorings—just the subtle, natural honey essence of bee butter. Lip Smoother strengthens your lips' ability to heal themselves - without creating a cycle of hydration dependency. The ideal undercoat for lipstick, and wonderful on its own.

Shine-Off Instant Matte Finish for Oily Skin

Cut the glare any time of day for a confidence-boosting, clean, matte finish. Designed to deliver short *and* long term benefits: absorbent microspheres soak up extra oil, freshening skin and correcting the appearance of large pores; ivy, lemongrass and peppermint extracts tone the skin and normalize its sebum production—preventing clogged pores and future break-outs; time-released doses of Vitamins A and C improve your skin's clarity. Apply to clean skin to control shine and protect your pores from makeup and environmental pollutants. For an instant matte finish mid-day, pat gently on oily areas right over makeup. Fragrance-free and sized to go anywhere.
