Business Insider recently asked nine prominent European tech investors to name the 15 FinTech startups with the best potential in 2020. **Moonfare** was among the names they mentioned, along with top companies such as **wefox**, **WorldRemit** and **Revolut**. Great news to start the year! Curious about how **Moonfare** is disrupting private markets investing? Please visit: <https://moonfa.re/2G1NCLf>
