Protocol Recordings has consistently been a heavyweight presence in **Miami** during **Winter Music Conference/Miami Music Week**, and 2016 will be no different. The label is kicking off the party with a white-hot 20 track compilation mixed by rising prodigies **Florian Picasso & Blinders**. The hour-long episode showcases **Protocol's** impressive repertoire of artists, featuring familiar hits such as **Volt & State's "Sandcastles"** and exclusive releases from **Deniz Koyu, Arno Cost, Sam Void, Avedon, Tom Tyger** and of course **Nicky Romero's** tunes - **"Harmony"** (w/ **Stadiumx**) and brand new **"Future Funk"** (w/ **Nile Rodgers**). This exhilarating hour of some of the hottest house music around takes the listener through **20 tracks, 4 upcoming releases** and **13 exclusive songs** you won't hear anywhere else. The compilers themselves are debuting two new tracks, **"You Don't Know"** from **Blinders** and **"Final Call"** by **Florian Picasso**. You'll want to listen to this one the entire way through to get fully prepared for the best week of music in the States.

With their dynamic, house-dominated roster of talent and expertly curated parties at major industry events such as the **Amsterdam Dance Event** and **Miami Music Week/Winter Music Conference**, **Protocol** has built a brand worthy of dance music royalty. This year they are hosting their popular annual event on **March 19th** at **Icon Miami**, the city's newest art-deco inspired, innovative nightlife concept. The lineup: **Nicky Romero, Deniz Koyu, Arno Cost, Yves V, Florian Picasso, Blinders + Special Guests**. Press play on this mix and let the countdown to partying with **Protocol** in **Miami** begin!
