

Subject: Don't miss out on your first free transfer!

Hi James,

We just wanted to send a friendly reminder about your unused free transfer.

It's a limited offer to send money to over 70 countries without paying a transfer fee.

Make sure you don't miss out on your free transfer by using your promo before it runs out.

Login to Paysend online or via app, set the currency and select “use promo code”.

Enter “SendFree” and hit send.

It's as simple as that.

Got a question or need a hand?

Get in touch with our team and they'll be happy to help you out.

Happy Paysending.
